6+550) under the Contract RSP/W11/03**

Location: State Road Administration (SRA)
Bucuriei 12A str., MD – 2004/4th floor,
Chişinău, Republic of Moldova

Time: 14:00 pm (local time)

Date: November 27, 2018

Attendance:

Client's representatives:

- Mr. Serghei Polişciuc - Deputy director, State Road Administration;
- Mr. Douglas Davies – International Engineering and Management Consultant, Roughton International Ltd.;
- Mr. Ugur Tamgak – Engineering Management Specialist, Roughton International Ltd.;
- Mr. Ion Josan - Procurement Specialist, Roughton International Ltd
- Mrs. Natalia Capaşina – Chief of the Procurement Service, State Road Administration;
- Mr. Mircea Dobînda - Consultant at Engineering Service, State Road Administration;
- Mrs. Tatiana Căpăţină – Principal Specialist at Procurement Service, State Road Administration.

The List of Participants filled in and signed by firms' or Joint Ventures' representatives is attached hereto (See Annex A).

Opening:

Mr. Serghei Polişciuc has welcomed all the participants and has introduced the SRA's representatives attending the meeting. Further he has pointed out to the participants that the event was held in accordance with para 7.4, Section I - Instructions to Tenderers, Tender Documents, aimed at clarifying issues and answering questions on any matters that may be raised at this stage.

Mrs. Tatiana Căpăţină has familiarised all the participants with the procedure and the way in which the Pre-Tender Meeting shall be conducted. Also, she has drawn the participants' attention to the clauses from the Tender Documents of outmost importance, such as the selection procedure, qualification requirements for the Contractors, the period of validity of Tenders and Tender Security, the amount of Tender Security. In addition, Mrs. Căpăţină has pointed out some aspects on the funding source of the project, the national law on quality in construction, and also on general issues regarding tax and custom facilities within the contract.

Mr. Mircea Dobînda has continued the presentation on the scope of works and has made a brief overview on the geometrical parameters of the roads, major structural works and main estimated quantities for the respective works contract.

Questions and Answers:

Mr. Serghei Polişciuc requested Contractor's representative to address their questions. Attendees have raised their questions and some of them were further discussed and answered in general lines. Mr. Serghei Polşciuc has specified that all the questions will be formally answered through the

Minutes of the Pre - Tender Meeting and Clarifications that shall be sent to all prospective Tenderers.

Closing:

At the end, Mr. Serghei Polișciuc thanked the representatives of firms for their attendance, and wished them good luck in the tendering process.

Note:

The information presented during the Pre-tender meeting is not exhaustive, it provided only a summary of the most important issues and clauses from Tender Documents, therefore in preparing their tenders, the tenderers should follow the complete set of Tender Documents, including answers to the Requests for Clarification and Amendments, if appropriate.
