

Request for Proposals

The European Bank for Reconstruction and Development (the “Bank” or “EBRD”) has provided financing towards a loan to the Î.S. “Administrația de Stat a Drumurilor” (“the Employer” or “the Client”) for the Moldova Road Rehabilitation Program IV (“the Project”). The Î.S. “Administrația de Stat a Drumurilor”, an *implementing/executing* agency (the “Client”), intends to apply a portion of the proceeds of this Loan to eligible payments under the contract for which this Request for Proposals is issued.

The main objective of the assignment for the Consultant is to assist the Employer in the administration of the Bank-funded works Contract on Road M3 Chisinau – Comrat – Giurgiulesti – Romanian border, sector Vulcanesti bypass (km 0+000 – km 8+580).

The Consultant will be required to undertake the role of the “Engineer” as defined in the FIDIC Conditions of Contract for Construction, MDB Harmonized edition, June 2010. The Services to be provided by the Consultant will last about 46 months, which includes 1 month for pre-Commencement activities, 30 months of works supervision, 12 months covering defects notification period and 3 months for the Performance Certificates issue and other closing activities, Final Account and Contract close-out.

The Consultant, with due diligence, will carry out the duties of the Engineer assigned to him in the Contract and provide other services as described in the ToR and Instructions to Consultant.

Procurement will be undertaken in accordance with the policies of the European Bank for Reconstruction and Development detailed in the EBRD Procurement Policies and Rules (“PP&R”) and the Guidelines for Clients Managing Donor or Loan Funded Consultancy Assignments (“Guidelines”) - which can be found at the following website: www.ebrd.com, this procurement notice, and the Instructions to Consultants.

The procurement method is Consultancy Single Stage Open.

The documentation will include such information as: detailed technical and financial requirements; any information on lots; the expected outcome; eligibility and qualification requirements; contract start date; planned contract duration; any response requirements; any other relevant information.

This procurement exercise will be conducted using the EBRD Client E-Procurement Portal (ECEPP). Prospective participants can access the procurement exercise by clicking on the below link or on the 'Access Opportunity' button (if viewing this notice on ECEPP). Registered participants may log in and access the documentation immediately and unregistered participants may do so after completing a brief registration: <https://ecepp.ebrd.com/respond/GP857776GV>

Full version of this notice as well as detailed project information is available on EBRD website at www.ecepp.ebrd.com.
